

## ALTERNATIVE OPTIONS FOR WASTE DISPOSAL

As all City resources are being directed toward the flood prevention/protection efforts, the public dumpster (for NSC residents) will remain closed until further notice. Please continue to refer to the City's website ([www.NorthSiouxCity-SD.gov](http://www.NorthSiouxCity-SD.gov)) for further notifications and updates.

In the interim, we have compiled the following information to assist you in disposing of your waste. Please note that costs associated with disposal are subject to change, and that there may be additional costs above and beyond what is listed.
